

Cotford St Luke

Proposed Play Area

The proposed site is adjacent to the existing play area, on the furthest side from the village.

The plans have been developed in consultation with the school children. The children have favoured the plan with the slide. However, an extra £5000, although not currently in the budget, would buy a multi-unit (pictured). This unit would be instead of a slide.

For further information please contact Martha Prangnell, Community Development Officer on 01823 356553 or m.prangnell@tauntondeane.gov.uk

The closing date for consultation is 12th August 2010.

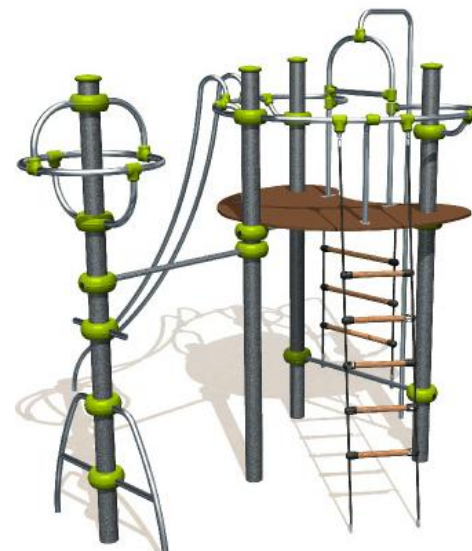

The expected project completion is end of December 2010.
